

Chevrolet Car Club of Victoria Inc. Club Permit Scheme Policy

The terms of this policy are quite easy to meet and are aimed at getting more participation at club run events, improving the event and the club for all.

1. Members with vehicles on the C.P.S. MUST attend 2 club events WITH THE VEHICLE per C.P.S. year. The events can be regular club meetings, organized CCCVI runs or shows such as GM Day and All American Day.
2. To prove they have attended with the vehicle, the vehicle's Log Book will be signed by a Committee member, Subgroup leader, Permit Officer or run organizer on the relevant Log Book entry. Turning up to get a signature then going elsewhere is not considered as having attended.
3. When the Permit is up for renewal, copies of the relevant entries in the Log Book are to be forwarded to the C.P. officer along with the renewal paperwork. Once the C.P. officer has sighted the Log Book entries (providing all other criteria are met) he will approve the renewal.
4. Members with multiple vehicles can use entries from different Club Eligible Vehicles Log Books to renew a Permit.
5. As before, Members MUST be financial during the period of the Permit. If your membership is not paid, the vehicle is no longer a part of the C.P.S. and is considered unregistered with no TAC insurance irrelevant of the remaining period on the permit.
6. Reductions in, or exemptions from this requirement may be granted by the C.P. officer if applied for in writing well in advance of the renewal. Valid reasons may be distance (Country members) or vehicle unserviceable (Laid up for a long period)
